

## **Embellished Wool Pocket**

### **Mayann Weinberg**

A great place to put your cell phone, camera, credit card, i-pod, passport & boarding passes or other personal items rather than carry a large purse. Create a beautiful felted embellished wool pocket purse. I use mine all the time, especially when I travel I put my passport, boarding pass, a credit card and some cash in the bag.

fabric for bag & lining  
thread of coordinating or contrasting color  
cording for handle  
beads, buttons, ribbons for embellishment  
snaps for closure

- \* choose outer fabric, & cut to approx 7" x 14"
  - \* cut lining approx 1" larger all around
  - \* iron lining about 1/4" smaller than outer fabric use outer fabric as template
  - \* iron stabilizer (2 pieces one on top of other) to lining of inside inner edge
  - \* place lining under wool with wrong sides facing
  - \* sew top flap area and inner front area on outside
  - \* fold in a c fold and iron keeping in mind how large or small to make flap
  - \* add strap to inside of bag at top.
  - \* sew sides of bag on the outside
  - \* start at top w/ pie shaped wedge at top for anchoring strap
  - \* repeat on other side
  - \* or add strap to outside after sides are sewn
  - \* add snap closure
  - \* embellish as desired w/ beads, buttons, ribbons, ect.
- \* **points to remember:**
- \* Your iron and sizing is your friend so have at it.
  - \* Sew the snap w/ 4 stitches at each opening & it will be quite secure
