NEWS 'N SUCH

FEBRUARY 1990

Our FEBRUARY 13th meeting will be at the SOMERS INTERMEDIATE SCHOOL, ROUTE 202, SOMERS, N.Y.

Doors open at 7:00 p.m. with the BUSINESS MEETING COMMENCING AT 7:45 p.m.

February brings to us Susan Wolff who will be giving a lecture/workshop on reflections of color. She asks that each member bring to the meeting a large variety of scrap fabrics in your favorite combinations of color. These pieces need to be well pressed. You will also need fabric and paper scissors. Susans approach to color uses mirrors. If you are interested in purchasing a mirror please see me after the meeting. I will have 40 on hand, at the cost of \$5.00 a piece.

February is also the month of the challenge project. Remember you only need to bring in the quilt top at this time.

At the March meeting, Mary K. Ryan will be speaking on "The Feathered Star".

See you in February.

Programs

Our January speaker was quite an inspiration to create a gift of love for an aids baby. It's wonderful to be able to use our talents to help those less fortunate than ourselves. The Guild contact people for the ABC Quilts project are Karen Hagert and Susie Lawrence. We all are looking forward to seeing the beautiful quilts that will come in.

Show News

Here it is February already...only three months until the quilt show...time goes fast when you're having fun!

The speakers have been scheduled, the vendors have all returned their contracts, the brochures have been printed and mailed out, posters are displayed in shop windows and on bulletin boards around town, publicity is getting the good word out about the show, the show pins have arrived, everything is progressing well... except... The RAFFLE QUILT is not finished yet and is waiting for YOUR help. Many of you have given, and continue to give, of your time and talent to this project, but there are still many more of you who have not. Don't be shy, just come and quilt! The quilt will be at Peggy McKinney's house after February 6th until March 6th. She lives in Peekskill. Call for directions (737-0626).

Nancy Hantman has been arranging for an impressive display of quilts that won ribbons and prizes in other shows, such as the ones in Paducah, Houston and Cazenovia. These are exceptional examples of today's quilters and sure to add an extra dimension to our show.

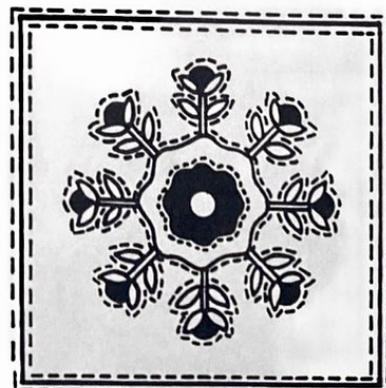

Size 10 bodies... we need you. Linda Lim in particular would like you to model in the fashion show to be held on Sunday, May 6th. This is your opportunity to wear, if only for a brief time, some very unusual and exciting clothes.

Linda Love will have the volunteer sign-up sheets at the February meeting. Stop by and say "How can I help?".

This month the Raffle Tickets really will be at the meeting for distribution. Each member is required to take and sell two books of tickets, but you are certainly welcome, and encouraged, to take more than two. If you plan to buy the two books yourself you can fill in the stubs and then pay the \$10.00 at that time. The proceeds are going to help the efforts of Friends of Karen, to continue to carry on the work that was started by Sheila Peterson. Kathy Grose will also have photos of the Raffle Quilt for you to help to sell the tickets.

Reminders: Are you working on your Alexander Henry Challenge quilt? (deadline Feb. meeting). Have you designed and/or started a block for the Quilt Block Contest? (deadline March 20th). What are you planning to hang in the show...a wall hanging or a bed quilt... and how's it coming along?
