A Message From the President

Dear Guild Members,

I hope you had a wonderful Holiday Season and I want to wish everyone a very Healthy and Happy New Year. Of course, that also includes wishing you many happy hours of quilting in 2003.

We had a delicious December meeting . . . thanks to all of your holiday goodies. Then we enjoyed a wonderful lecture from Bev York, a textile museum curator, who gave us some history of the New England textile business. So much "cloth" history in New England . . . no wonder we love fabric so much . . . it is our New England heritage.

There is still time to sign up for the Bravest Fund quilts . . . we have over 100 volunteers and the numbers are still growing. We should start to see our kits arrive around the end of December . . . VIP fabrics is hoping that the quilts will be completed and returned to them in early March. Thank you for your strong support in this worthy project.

The New Year gives us an opportunity not only for reflection on the Guild's past growth, but an opportunity to think about how we can improve our Guild in the future. We know that we need to continue to support the ongoing efforts of the Guild's projects through new memberships, volunteering to serve on committees and giving fresh ideas.

Now, I would like to hear more of those fresh ideas . . . so I am putting an "Idea Box" on the membership desk starting in January for suggestions about anything . . . give me your ideas . . . I want to hear any good suggestion.

I want to take this opportunity to thank those Guild members that volunteered in 2002 . . . your efforts have made this a Guild we can be proud of . . . and you are greatly appreciated.

Lynn Chernuchin, President

Hospitality—January

What an incredible array of treats we had at the December meeting--the table was truly groaning! Thank you to everyone for sharing their holiday specialties. For our January meeting we need to return to "normal" and are asking those whose last names begin with **G, H, I, or J** to please bring the refreshments. As usual, we will provide hot water for coffee, tea and hot chocolate. Don't forget to bring your own mug--not only does this save the guild money, but it also helps the environment.

Happy New Year!

Helen & Susie

**Please Remember Your
Mug!!**

Calling all Guild Members!!!!

Calling all Guild Members! It's that time again - start thinking about what positions you'll be filling at this year's Show. Your help and hands are necessary to make the Show a success. Every guild member is needed to participate a minimum of two hours as a volunteer. Remember, for 2 hours of volunteer time, you will receive a one-day entry pass for the Show. Four hours on one day will get you a free pass for both days. (If you work Wednesday or Friday, you'll receive a pass for the day of your choice.)

So, here's a brief overview, with editorial comment, of some of the volunteer spots for the show. Some are sit-down, some require that you stand, some involve handling money and some require a good gift of gab. Please note that it is inherent in many positions that you will be answering questions and providing information to visitors, though some jobs require more of that than others. If you have any questions, please ask me or another Show Committee person for clarification. Sign-up sheets will be available at the February meeting.

Admissions

Sit-down job, collecting money, distributing catalogs, answering questions. When it's busy, this job moves quickly; when it's quiet it's a great way to rest.

Boutique

Collecting money; removing price tags from merchandise; monitoring merchandise and flow of visitors. (Boutique 'vendors' are required to volunteer here.) A nice way to see what your friends have been up to in their spare time.

Pot Luck Supper

Various jobs for Friday night's dinner for the people involved in set-up. Food prep, setting up and setting tables, clean-up after dinner. (Note: Hospitality will provide a separate sign up sheet for BRINGING food.) Whenever I'm preparing or setting up food, I eat less: this may work for you, too.

Information Booth

Answer lots of questions - 'Where is the men's room? Where are the quilts?' A stand up job [unless someone provides a stool!] Great fun!

Judging

Scribes (note-takers) for judges' commentary, a sit down job. Quilt-handlers, a stand up job. Interesting and informative volunteer spots.

Lectures

(For all of these spots, you get to hear the lecture and fulfill your volunteer duty. Please only sign up to work at one lecture.)

- Ticket takers for entry to lectures, trunk show, stand up job.
- White glovers to assist lecturers on stage. Stand up job with quilt touching. [Note: For the Trunk Show, this job will be 3 hours' duration.]
- Monitor auditorium entrances. Primarily a stand up position; requires tact with a gently assertive manner dealing with guests entering/leaving, and latecomers. Will also set up racks on stage, hang and later take down backdrop quilts.

Quilt Frame Set Up/Take Down

Requires teamwork to set up frames and later to disassemble them. Stand up jobs that may involve climbing ladders, using tools. Get in touch with your 'masculine' side. (Usually late Friday afternoon and late Sunday afternoon.) Spouses, significant others and children are welcome to help, too.

Quilt Hanging/Take Down

Hang muslin and quilts on Friday later afternoon/evening as per layout provided by Chairperson. Take down and return quilts in an orderly fashion, verifying ownership. You get to see the quilts up close and touch them without anyone slapping your wrist. (Usually late Friday afternoon and late Sunday afternoon.)

Raffle Table

A sit down job, selling tickets and collecting money. Busy and fun, for a good cause!

Quilt Watchers/Monitors aka White Glovers

Safeguard the stars of the show: the QUILTS. This is a walkabout job. Tact and gentle assertiveness needed to remind guests not to bring food/drink in the gym, and not to touch the quilts. A nice way to see the quilts up close.

Quilts/Works In Progress

Some sitting and standing. Provide quilting information to visitors while monitoring other's 'works in progress'. You can also demonstrate or work on your own projects while volunteering here.

Coming next month: The top ten or so reasons - thank you David Letterman - why you should volunteer at the Show. (Amusing submissions from Guild members welcome.)

Houston 2002 and 2003

The trip to the International Quilt Festival in Houston was a great success and I am currently making arrangements for Houston 2003 which will take place from October 29th through November 1st or 2nd. I have booked 60 airline seats and attendees will have the option to leave on Saturday or stay until Sunday. I have already reserved 30 rooms at the Crowne Plaza and am also looking into prices for the Four Seasons Hotel as an alternate hotel. I will let you know the trip price in early 2003.

Regarding Houston 2002, I have the results of my informal survey and the names of the winners:

1. Actual number of yards of fabric purchased: 852.5 yards. Closest guess was by Selina Griffin with a guess of 800 yards.
2. Actual amount of money spent in Houston: \$37,098.18. Closest guess was by Cathy Neri with a guess of \$35,000.00

When I add the amount of money spent in Houston with the prepaid amount of \$18,481.80 it brings the total spent by 47 people to \$55,579.98.

If you are interested in Houston 2003 please let me know as soon as possible because I'm sure the quilt festival will be even better than in 2002. I can be reached at 845.628.3342.
