

The next meeting of the Northern Star Quilter's Guild, Ltd. will be held on Tuesday, June 21 at the SOMERS INTERMEDIATE SCHOOL.

PRESIDENT'S MESSAGE:

It's hard to believe, but we have come to the end of another year. I have enjoyed being your president this year and I am pleased that you have given me the opportunity to continue for another.

The past year has been a successful one for us... once again we had wonderful quilt show, terrific workshops, interesting programs, fun with the monthly block raffles, and didn't we all learn much with the skills improvement project (I can hardly wait for the September Show and Tell). And...the best news of all is that we continue to be in sound financial shape. Thanks to each and every one of you for your support in helping us reach this end. And my sincere thanks to all the 1987-88 Board Members for a JOB WELL DONE! I couldn't have done it without you!

The new committees are already working together and there are still a few spots not yet filled. Let me know where you can help.

We have a wonderful program planned for the June meeting and I look forward to seeing each of you.

In the meantime, keep yourself in stitches,

Penny

 P.S. Some of you may have not heard, but our long time members Ruth and Janice Gerth recently had a terrible fire in their home and lost almost all their possessions including all their precious quilting "stuff". We are planning a "Quilting Shower" for them at the June meeting and each member is requested to contribute something toward the gift basket. It could be a copy of a favorite quilting pattern or book, needles, thread, a yard or two of fabric...whatever! We have just got to get them back to stitchin! And please remember it's a SURPRISE!

HOSPITALITY

Well the time is here once again for our spectacular SALAD SUPPER! I hope every one of our members will join us for this grand finale to a wonderful year for our Guild. It's a wonderful night of fun, fellowship and great food. Please note the time change which is 6:30. Bring your favorite salad (meat, pasta, or fruit) enough for 6 - 8 please so you can share. The guild will provide a green salad, drinks, and utensils for your enjoyment.

Pat Davis

I only have this last chance to remind you of the Muscoot Farm Display in September/October (refer to the April '88 newsletter article). So far we only have two quilts being loaned. We need 10 more. The County of Westchester has already advertised this event in their schedule of events. I don't think we want or need to be embarrassed by backing out of this.

Please call me, or drop a line, by the end of June. Out of 250 members, there must be 10 quilts.

RESOURCE & EDUCATION

Since you received your last newsletter we had two workshops with Anna-Marie Tucker, one with Sandi Bard and one with Joanne Kost. I hope you all enjoyed the workshops that were offered this past guild year.

Scheduled workshops are as follows:

Sunday, Sept. 18th Harriet Hargrave - Machine Quilting - \$30.00

Unfortunately Harriet will not be able to stay and give us a second workshop. If when she comes to the East Coast again we'll do our best to be on her schedule so that those of you that didn't get in her class will have the opportunity next time. The paid response has been tremendous and as I am writing this there are only three unpaid spots remaining. After these are filled I will start a waiting list.

Septemeber Applique and Quilting

Saturday, October 1 Elinor Peace Bailey - Dolls! - \$25.00

Elinor will be back in our area so we have scheduled her for another workshop. You can make any one of her dolls in this class. The ladies that took the class in April not only made beautiful dolls but had a lot of fun doing it with this talented, creative teacher.

After the last Sandi Bard workshop we seem to have a fan club that would like to make more of her dolls. Sandi has designed some very nice ones. These classes will be \$30.00 each.

Friday - Oct. 7	-	Hortense (witch)
Friday - Nov. 4	-	Victorian Santa
Sunday - Jan. 29	-	Amish Doll - pattern will be available for Amish child.
Friday - Mar. 10	-	Leprechaun

May 8, 9, 10 Mary Ellen Hopkins - \$30.00 each class

Monday's class - students will learn Mary Ellen's techniques.

Tuesday & Wednesday - Students must be experienced in her techniques. Diamonds and hexagons will be taught.

Any questions call me, Jean Albrecht, 234-9510. Send checks for classes to me, P. O. Box 235, Bedford, NY 10506. Checks should be payable to N.S.Q.G. Your check reserves a spot in the class - separate check for each class, please.

June 21st is our last meeting of the season and it promises to be a busy one. Our traditional salad supper will take place along with the Hopetown presentation, slides of our show workers and their efforts, the board show and tell and the family requested auction of a late member's stitchery items and supplies. Besides all this, we will have our own prize raffle. It will be run as December's was with one free ticket to each member and lots of prizes. We will also have the block raffle for June and, at the request of many, a repeat of May's block. We would also like to have a special show and tell from members Please bring your problems and we will try to solve them and your mistakes so that we might all learn from them.

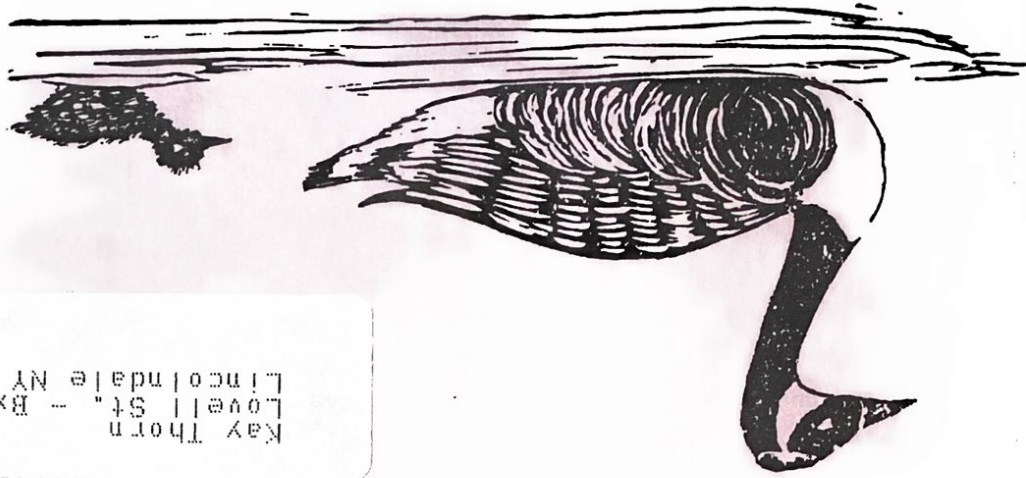

Since this is the last meeting before the new board takes over, it would be most helpful if you would have written suggestions for the suggestion box. We have had some very helpful contributions so far this year and would especially like the new members to tell us where they feel we could clarify any confusions or misunderstandings.

Lastly, and perhaps foremost in my mind, are my feelings about this passing year. I wish to thank all of you for supporting me in my efforts to grow along with the guild. I have learned a most valuable lesson this year. There is nothing wrong with admitting you need help as much as you like to give it and sharing a task can be a great joy. Thank you all for helping me truly appreciate what a great gathering of women you are. I would especially like to thank the following members, without whom I would have fallen on my face. You're wonderful! Jean Al'recht, Penny Black, Kay Fowler, Karen Hagert, Pauline Joseph, Eleanor Karl, Sue Light, Jan Mason, Kathy Sica, Eda Steinman, Suzanna Valentinette, Ginny Watson and especially my right and left arms and next years program chairman Edith Pryor. Please give her the support and care that you've been gracious enough to give me. Again, my heartfelt thanks to all.

God bless you

Gloria J. Hardy
