NEWS 'N SUCH

JUNE 1990

June 19th will be our last meeting. I can hardly believe we have completed another year. We will have our annual **SALAD SUPPER**. The doors will open at 6:00 and we will start eating at 6:30. After dinner we will have a short business meeting. As usual our dinner and meeting will be held at the **SOMERS INTERMEDIATE SCHOOL, ROUTE 202, SOMERS N.Y.**

President's Corner

I am sorry that I had to miss such a wonderful speaker as Anna Marie! Unfortunately, Claire and I were at Quilt Market in Denver having a wonderful time spending all of our money.

I was very impressed on how well our show went. The entire NSQG membership should be very pleased with our efforts. Many thanks to Claire and her entire committee for doing such a wonderful job.

As this will be our last newsletter this year, I would like to say "Thank you" to each member for giving me the opportunity to serve you as President for such a great organization. I do regret that I could not accomplish as much as I had originally planned, but my personal life and two careers got much too complicated. I would like to wish Karen and her new board all the best. NSQG has an excellent board coming in, and I am sure Karen will do a great job. (If I know Karen, she is all ready making plans for big things for the upcoming year).

This year is rapidly coming to an end and the June Salad Supper will soon be here. I hope to see all of you enjoying the fantastic assortment of food and then showing us all of your "hope-to-be-completed" projects at show -n-tell. Those of you who entered a quilt at the show - Please bring it to the meeting so we can take another look.

Thank you for all your support and help this past year!

See you all at Dinner!

Resource & Education

Here we are at the end of another Guild year. Where did the time go? I was going to get so much done, I think I'm not alone.

I have enjoyed my turn in Resource and Education and was happy to be asked to continue for another year. I hope to be able to offer some new and exciting things to you. BUT! to make them work I need YOU! Workshops cannot benefit anyone if there are no participants. So start now to plan to attend workshops and Guild offerings.

As an ending:

- June 2nd Our wonderful secret tote.
- June 11 Crazy Quilting with Pat Baker

and as a beginning:

Wed. Sept. 19th, Broderie Perse
Barbara Barber \$30.00. Kit available for \$4.00 with all you need except #10 needles and sharp scissors.
It's Filling up fast ...so hurry!

OCTOBER: Hopefully, Gail Binney (Winslow) Stiles with her finishing techniques. (Still in the planning stages).

Its been fun and have a quilting nice summer.

Programs

Isn't Anna Marie Tucker a super speaker? She gives you so many ideas to work with. It's never a dull moment when Anna Marie is around.

I am looking forward to our salad supper and in house Quilt Top show. Information on the "Quilters' choice awards" is in the May's Newsletter. Due to an increase in hanging space walk ins are welcome.

I would like to congratulate and give my best wishes to the new board. It's going to be a good year.

Have a wonderful summer.

LORRAINE GANSINGER

Membership

Current membership is at 225.

Keep in mind that life is much simpler for Membership VP if you get your dues in during the summer. Dues for 1990-1991 are \$25.00.

SUSIE LAWRENCE

Are you suffering from PQSS?
by SUSIE LAWRENCE

This peculiar disease is not easily diagnosed as the symptoms are often vague or even contradictory; and people in the know disagree as to treatment.

Some of the symptoms may include, but are not limited to, any combination of the following:

vacant stare
visual overload
frenetic bursts of activity
days of immobility
exhilaration
excitement
exhaustion
depression
sore feet & back
insomnia-caused by constant flow of ideas
inability to concentrate
irresistible urge to fondle fabrics
dreadfully depleted bank account
Rush to sign up for every class offered.

This disease appears to be seasonal and generally strikes soon after the first weekend in May and can last for up to a month

There is no know cure, but symptoms are often eased by starting a new quilt, pulling out an old unfinished project and finishing it - or volunteering to work on the Quilt Show Committee for next year. So, try one of these activities if you too suffer from Post Quilt Show Syndrome.

Hospitality

The June meeting will be our famous SALAD SUPPER. This is definitely an enjoyable evening. Please bring a salad to serve 6 or more. Any kind except tossed. It's fun to see all the different ones.

If possible use a disposable container and try to bring serving utensils. NSQG will provide all the other necessities.

Serving will begin at 6:30.
