A Publication of the Northern Star Quilters' Guild
Somers, New York
September 2001

Volume 20, Number 1

A Message From the President

It is with sadness to note the passing of our dear Guild sister, Nancy Murphy. She gave a courageous fight, battling breast cancer for the last three years. I will always remember her warm smile and gently voice. Her enthusiasm toward quilting and the Guild. Her love for her family and friends. May she now rest in peace.

The Guild year is beginning with much activity. Trip to Ft. Washington for the Quilt Show, two workshops with Jean Wells, preparing for Ornament Saturday to name just a few. BUT WE NEED YOUR HELP!! According to "Webster's Dictionary" a volunteer is "One engaged in a service by his/her own will; one who offers his/her services." Every committee needs help. Some need a little help and some a lot. We need you!! The Show needs many helpers, Library needs just a few, Hospitality needs a few at each meeting just to name some committees that need your help. Please don't think "I'm not experienced enough, I don't know anyone, I don't have the time, or

someone else will do it". The Guild needs you!! At the Membership table there will be a questionnaire and committee jobs that need to be filled. Please fill it out and offer your assistance. You will be rewarded by feeling a part of your Guild and getting to know some really nice ladies too! If everyone volunteers just a little, the jobs will get done quickly and easily.

The September meeting is always a busy one and Jean Wells will be our speaker. Bring your Round Robin quilts and summer projects for Show-n-Tell. Thank you to Ann Fitzel for stepping in for Sonny this month at the Membership table. We will make a concerted effort to have the membership list available ASAP. Please be sure you give her your correct mailing address, phone number, area code and email.

Happy Rosh Hashanah

Piecefully,

Linda

Hospitality

We hope everyone had a splendid summer, Fall comes around so quickly. We plan on following the same schedule as last year. I would like to take this opportunity to thank all of you for your cooperation and generosity this past year in providing snacks every month. I am sure this year will be just as enjoyable.

Chris and Carol

Programs

We have all collected rooms full of scraps . . . what will we ever do with all of that precious stuff! October's lecture from Darra Williamson might be the answer we have been looking for. She will talk about "Scrap Quilts for the New Millennium." And she will inspire us to use up all those precious scraps before the new millennium is over!! Be sure to attend the meeting in October for a renewed interest in scraps.

Back by popular demand.....another Silent Auction for "A World of Quilts 2002."

The theme will be

I'm Happiest When I am Among....

Your finished quilt—maximum 96 inches perimeter—should illustrate things that you like to surround yourself with. This topic is wide open for interpretation and I don't think anyone needs help with what makes them happy. Your subject matter should have a relatively wide appeal because we want to attract lots of competitive bidders.

These quilts will be fantastic gifts for a special person. The sooner you decide on a subject and reserve it, the sooner you can start this very exciting project. There shouldn't be more than two quilts per topic.

Proceeds collected from the sale of the quilts will be donated to a local charity. I am enlisting your help to decide on a charity that you feel is deserving of the funds. If you sign up to make a quilt, you will be eligible to help choose the charity.

Our last auction was such a success, let's make our next auction, even better.

I still have photos of several auction quilts with the names and towns of the buyer. If you want the photo, please let me know.

ROCK ON!

In case you missed the June meeting, the theme for our 2002 Invitational Exhibit is Rock & Roll Quilts. We've got several really hot ones but that's just a start.

Some of what we're finding is band/performer tributes, song titles, and, of course, Elvis sightings. If you've got anything for these categories or others, call me. If your sister has anything, call me. If your friend has anything, call me. If you know of, or remember a good one, call me. We may be able to track it down.

You'll reach me at 973-748-4680 or email to mulphi@msn.com.

Everybody, let's rock!

NEWSFLASH: NSQG HITS THE ROAD AGAIN!

We're now a travelling show! And, we're opening at QHC in Lancaster, April 2002. That means fame, fortune and a month cut from the exhibit deadline. Don't delay. Get those suggestions to me ASAP.

EC Needs Quilting Teachers

Elder Craftsmen, Inc., an organization providing crafts programming and instruction for senior citizens, is looking for a few quilting teachers for their story quilt project in early spring 2002. This particular project is being funded by the Helen Benedict Foundation and will be based in Yonkers, NY.

The programs they run are invariably of a high caliber...a challenge for both teacher and participants. The small but mighty staff is great to work with, and are artists in their own right. You can find out more about them on the web at www.eldercraftsmen.org. Better yet, call them at 212-319-8128 and talk to Liz Curtin or Jan Langlois.

THINK ABOUT IT...Since the EC Story Quilt project is scheduled to be on exhibit at the same time as the NSQG show, think of how much of Westchester we could be blanketing in May 2002!

Round Robin Quilts

We hope to have many members sign up to participate in this year's Round Robin. The quilts will go to sick children through our Comfort quilts group.

To take part you must:

- **SIGN UP WITH ME AT THE SEPTEMBER MEETING.** If you can't attend the meeting just call me to put your name on the list. I will have groups arranged for the October meeting.
- Make a 12-1/2" x 12-1/2" block for exchange at October meeting. Use child oriented fabrics and colors. It should be a pieced pattern of your choice with no specific top or bottom direction.
- Write your name and phone number on a piece of muslin and safety pin or baste to the back of your block.
- Bring about a yard, or two 1/2 yard pieces of fabric used in your block to be used at the discretion of other quilters as the top is passed around.
- Meet at the Round Robin table during the break at October meeting for your group list and the first exchange.

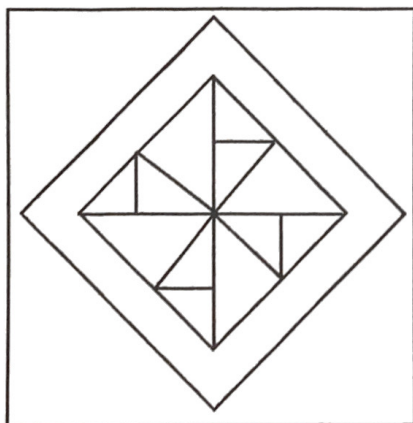

Please keep the following general information in mind as you work on the quilt tops:

- Make all quilt tops with 1/4" seams. Press often and always "square-up" your work as you progress.
- Applique must be sewn in place. You may use fusible web for placement but edges must be finished...children's quilts get frequent laundering.
- For safety reasons do not use embellishments such as buttons or beads which could be swallowed.

You will exchange work in Oct., Nov., Jan., Feb., March and April. You must have your piece ready on time for the project to work successfully.

Any questions??? or to sign up...

Joyce Sullivan

The Round Robin game begins with a 12-1/2" block of your choice.

WE STILL NEED YOU!!!!

The good news is that we have filled the Publicity position. The bad news is Hospitality and the Equipment co-chair positions are still open. Won't you please help? The next Quilt Show Committee Meeting will be held at 5:30 at JFK on Tuesday, September 18, 2001. We will be done with the meeting before the regular guild meeting starts. See you there!

Education — July 2001

We have lots of great workshops planned for next year. Look for the list of them in this issue of the newsletter and sign up early. Because the price of the instructors and the clubhouse have gone up in recent years, and because of the cost of transportation, housing and other expenses for the teachers, we find it is necessary to raise the price of workshops.

A brief explanation about the new pricing:

All workshops will be \$40 next year. However, if you sign up for both workshops by the same teacher then the price is \$75 for both. A real bargain when you consider what you pay for workshops elsewhere.

Jean Wells is our first guest this fall. Her workshops are scheduled for September 17—"Folk Art Quilts" Buttonhole Stitch Applique and September 18 - "Floral Impressions" using Foundation Piecing Stitch and Flip. Since these classes are before the general meeting, please be sure to pay your dues and sign up for them ahead of time. Thanks.

Registration instructions:

All classes are \$40 OR \$75 if you take both classes by the same instructor.

Please write a check made out to NSQG for EACH instructor, dated the first of the month of the month of the workshop. Also send a SASE for each workshop/instructor and please write the name of the class/classes on the front of the envelope.

Please write your phone number and email address on the check or inside flap of the envelope in case I need to get in touch with you. If you would like to be a Monitor for any class let me know. Monitors take the class for free.

Finally, if you send in your registration and you DON'T hear from me, it means you are in the class. I will contact you ONLY if there is a problem.

Have a wonderful summer and see you in the fall.

Comfort Quilts

Welcome to another year of quilting pleasures! If you would like to share your skills with those less fortunate, join the Comfort Quilters as we make quilts for various charities, mainly for children. We meet at the Katonah Presbyterian Church (maps available) twice a month; dates will always be in the Newsletter. We gather at 9 am, brown-bag it, and stop at 3 pm.

Look forward to a display of our special project for My Sister's Place at the September Meeting, and a surprise for the entire next year.
