## A Message From the President

I was thrilled with the pretty basket of wonderful fabric given to me by the membership. It will surely spur me on to yet another quilt project. Thanks to all of you.

I'd like to make use of this summer issue to thank some of the many people who helped make the Guild year run so smoothly. The Board worked so well together and had a good time doing so.

**Dorothy Scalice** used her great enthusiasm and thorough planning to organize a year of stimulating, fantastic programs.

**Pat Bartimoccia** handled the details of membership registration with an ever-present smile and a happy greeting for everyone to start each month's meeting off on a positive note. Under the guidance of **Kim Silva-Lepe** a special New Member table was set up to help make our new members feel welcome.

We have concise, accurate records of all our meetings thanks to the excellent secretarial skills of **Grace Zipprich**.

Through the quiet, efficient efforts of **Lorraine Mioducki**, the Guild meetings were well publicized, appropriate personal messages were sent to members and many "odd jobs" were handled, all under the heading of Corresponding Secretary.

The Treasurer's job is no simple task with bills, payments and cash requests coming from a thousand directions. **Cynthia Henke** has kept us "true to the penny." (Let us know when that baby arrives. We wish you an easy delivery!)

**Nancy Mirman** has not only done a most superb job of running the Quilt Show but has backed it up with

paperwork to make the job easier for all future chairladies. Her knowledge and her friendship make my job easier.

I was especially grateful to **Judy Irish** for offering to fill in the unexpected vacancy as Education Chairlady. She kept the many workshops running smoothly with the assistance of **Linda VonAhn** to handle the class registration.

Our Library has grown and been well utilized under the watchful hand of **Micki Tedeschi**.

**Dorothy Fiederlein** kept us happy and well-fed while we were on the road to quilt shows and shopping extravaganzas.

**Julie Long** and **Susan Henshaw** worked to produce two successful NSQG Boutiques. The Holiday Boutique was proof that even a sparse showing of registrants can turn a nice profit.

The newsletter has become a unique communication through the clever design layouts of Editor, **Alice Garrard**. Bravo!

Playing hostess at the snack table each month, and heading up the June Salad Supper with such "style" were the energetic duo of **Kathy Miller** and **Corinne Moschella**. Everyone is grateful, particularly those attending meetings directly from work with no time for dinner.

Many thanks to these Board Members and to the many people who worked with them behind the scenes.

A number of non-Board committee chairladies deserve a special thank you

for jobs well done. **Carol Alt** ran a really super Super Saturday and left explicit directions for those who follow in her footsteps.

**Sondra Shapiro** and **Suzanne Sunday**, with their committee, provided a stimulating Challenge for us to participate in.

The Guild is fortunate to have the ongoing guidance of **Pat Baker** working with the crew of helpers pumping out the many beautiful little Comfort Quilts for sick children. This is such a worthwhile effort.

And where would we be without **Sister Barbara**? In many a "pinch" she has the right key, or finds the right switch or sends us great students to help us out.

To every one of you who give time and energy to keep us functioning I say, "Thank You!" We couldn't do it without you. Keep up the good work.

I will miss the close contact with the Board Members leaving their positions, but I look forward to working with the new Board and developing new bonds of friendship.

In gratitude,

Joyce Sullivan

## Library Helpers Needed

Novice librarian with infant girl needs helpers! Anyone willing to help at the library table during meetings, please contact me...duties are simple:

- collect returned books
- help sign out books
- hold my 8-month-old baby, Mariana, who may be attending the meetings with me.

No experience necessary and no need to help out for every single meeting if I get enough volunteers. Give me a call or send e-mail, and thanks!

## Programs

Well, September is just around the corner and thanks to Dorothy Scalice, we have a great lineup as we approach the new millennium. We start off in September with Judith Reilly. Judith was awarded Best in Show in our World of Quilts XX Show for her intricately pieced, dazzling "Moon." Her work appears in books, magazines, greeting cards and calendars. The title of Judith Reilly's lecture is "Creativity — It's All Perception." Judith will be doing a chronological presentation of her quilts which are designed around 12 important "Life Lessons" which supported her creativity and hopefully will encourage others as well. She will present a "fun" talk on "Life Lesson #10: If you are not having fun, you are not doing it right!" What a great way to start off the new program season.

To keep you on your toes, some of the other speakers we have lined up for the 1999-2000 year are Elizabeth Hendricks, co-author of *Machine Quilting with decorative threads*; Diane Hire, Fiber Artist; June Colburn of June Colburn Designs II, Inc., and Sally Schneider, author of *Sensational Sets and Borders*. Keep your eyes and ears open for some great upcoming workshops with these ladies and get those sewing machines in good working order because we are going to have "another great year" at NSQG.

## Membership

Many years ago I did this job for this guild, but things have changed and I am trying to get organized with all of the records. If you could send in your membership dues before the September meeting it would be a great help to me. To renew your membership send a check for \$35 to me with the following information: Name, address, zip code, area code and phone number, e-mail address and fax number or second phone line if you have them. You will not be standing in line at the September meeting if you can do this before by mail. You will just sign in and pick up your new membership card which you need to check out library books.

You must pay your dues before the October meeting to continue to get the newsletter, be on the membership list which is given to all members, and to participate in the Holiday Boutique in November.

Any corrections, additions or changes in your address as listed with the guild last year should be reported so that I can change them before putting out the new list in November.

Badges will be made for the new members and others who request a larger print on their badge.

I am looking for a few people to help with the check-in at the September and October meetings. If you could come early and spend a little time helping with this process, please call me.

Thanks,

## Awards

Two guild members won ribbons at the Vermont Quilt Festival:

3rd place went to **Meg Mooar** for *Butterfly Garden* in the miniature quilt category.

**Alice Garrard** was given a special award for Innovative Piecing for Rally Round Raspberry Ruff and she received a second place ribbon in the large pieced wall hangings.

**Karen Eckmeier and Elizabeth Rosenberg** are cited in the fall issue of *American Quilter* for their participation in the 1999 AQS Show and (in Karen's case) the 1998 P&B Textiles Challenge to benefit the Museum of the American Quilter's Society.

## Quilt Block Contest

The theme for this year's block contest is: "Little Green Things." The block must measure an accurate 12 1/2" square, including seam allowance. Do not bind or finish the edges! Use prewashed, 100% cotton fabric. Your block must contain a "green thing."

All entrants will receive one of our beautiful show pins and the finalists will receive fabric packets. The finalists' blocks will be assembled into a quilt top which will be awarded in a random drawing to one of our finalists.

The deadline for submitting your entry is March 1, 2000. No exceptions! Entry forms will be available at the monthly meetings.

## Workshops

I'm so excited to serve as the guild's Education Chairperson this year!

NSQG's upcoming calendar is full of fun-filled workshops with local and internationally known instructors. I hope you will take advantage of these great opportunities to brush up on your quilting skills—and maybe discover some new ones, too!

Workshops offered by NSQG are a bargain. Most cost \$30—when you compare that to the expense of a trip to some far-away workshop, and factor in the luxury of sleeping in your own bed the night before and after...well, our members get a true educational bargain in more ways than one!

There will be no workshops offered in September. However, we have something wonderful to look forward to in October. Elizabeth Hendricks is coming! Best known as the co-author (along with Maurine Noble) of *Machine Quilting with decorative threads*, her expressive art quilts have won numerous regional and national awards, and have toured internationally. I'm thrilled that she'll be teaching two thread-work workshops:

### **Bobbin Quilting Sunday, October 17th, 10 am to 4 pm \$30.00**

(Intermediate and advanced level) Stitch up-side-down with decorative threads or ribbons in the bobbin, and create sashiko patterns, designs and different motifs.

### **Joy of Couching Monday, October 18th, 9:30 am to 3:30 pm \$30.00**

(Confident beginner to advanced level) Make a small wall quilt while learning the finer points of couching and raw edge applique.

Here's what to do if you want to sign up for one of these fabulous workshops:

1. Prepare a check. Date the check with the month of the workshop.
2. Enclose a Self Addressed Stamped Envelope (SASE) for each workshop, so we can send you a supply list and directions to the workshop location.
3. Write the workshop name (not just the instructor's name) on both check and SASE.
4. Mail everything to our registrar: Linda Von Ahn, 30 Greenfield Road, Mahopac, New York 10541.

You can also sign up for a workshop at any monthly meeting—however, try to register early to avoid the disappointment of a filled workshop. At the meetings, information and envelopes will be available for your convenience. Payment reserves your seat in the workshop. Your check will be refunded only if you provide a replacement, there is a waiting list, or the class is canceled.

A monitor is needed for each workshop. The monitor's job is really easy, and you get to take the class for free! If you'd like to find out more about being a monitor, contact Linda at 914-628-5380.

## Comfort Quilts

If you missed the June meeting, I want to thank all of you who have donated fabric to Comfort Quilts, and to tell you that we will **NOT** be able to accept another piece. Our storage is jammed and overflowing. There are other efforts of a similar nature by other Guild members, so *do not ever throw fabric away*. If you are involved in such an effort and would like fabric, get in touch with me and I will put it in the newsletter.

The absolutely last donation I accepted came from Susie Lawrence, who is moving to Kentucky, and came in the form of long pieces of fabric, a quantity of batting (always welcome) and eleven finished quilts. Many thanks, Susie!

Our summer meeting dates as printed in the last newsletter were wrong, due to my error, for which I apologize, so check the calendar in this issue for the correct dates.

## 2001 Raffle Quilt

Grandmother's Fan and Roses, an Amish-style quilt, is the Raffle Quilt for the year 2001. Thank you for your enthusiastic support of this project! I'm very excited about how this quilt is shaping up. Several blocks were turned in early (at the June meeting!) and I am looking forward to seeing the rest of them in September.

A reminder to those doing the Rose Block:

- Please **do not trim** down your block
- Please **do not trim** out the fabric layers of the block
- When you turn in your block, please **DO include eight additional basted leaves** in the same fabric that you used for your leaves, and a three-inch square of each of your four flower colors.

Once the blocks are assembled, we will need some additional help with hand applique for the borders. If you would like to help with this, please contact me.
