Letter From The President

Welcome to the first meeting of Northern Star Quilters Guild for 2010-2011. I hope everyone has had a chance to do some great quilting this summer and now looks forward to a reunion of friends and to beginning a connection with new members on September 21.

Throughout the summer specific words began to surface for me. I saw plowed fields like *patchwork* from the airplane. In a book the *thread* of the story suggested that I

pin my hopes on the character's success. . There was the Seattle Space *Needle*, the *Silk Road* exhibition, and *Threadneedle* Street in London. Out of the *blue* I was bombarded by go *green*, looking through *rose-colored* glasses at a *golden* sunset.. Of course some of these parallels were rather insignificant, perhaps almost *feather-weight*. Television golf tournaments measured success in *yardage*. And I read short stories which left me hanging by a *thread*.

Often the internet highlighted business conflicts which left me wondering if all CEO's are executive *material*. I began to realize that I spoke knowledgeably about *Westminster*, *Andover*, *Windham*, *Kona Bay*, *Concord* and the *South Seas* as if they were place names and not fabric companies. Stripes, plaids, prints; indigo, shades of white or cream; natural fiber fabrics – oh my, the planet is full of *quilting terms*! Is it really possible that we see the world through the prism of our own experience?

Northern Star connects us to one another. It provides the chance to *join the seams* of friendship and *stitch some memories*. Somehow the more we contribute to the effort, the more it becomes part of the *fabric of our lives*.

We all want to leave a legacy, and the Guild provides opportunities to do that. Take a look at all the great possibilities on our calendar and in the Special Issue of the newsletter. Become involved on committees. Help with the annual Raffle Quilt. Join a Special Interest Group. Put Super Saturday on your calendar. Create items for the November Boutique. Decide how you will help make our Quilt Show a success so we can continue to sponsor outstanding speakers.

Quilter Paula Nadelstern says: "*You can have it all, you just can't have it all at the same time.*" This year perhaps we can try!

Special Events

While Super Saturday is still months away (February 26, 2011), now is the time to start rounding up possible teachers and topics of interest.

Some of the topics requested so far include: fusing techniques, computer assisted quilting, miniature quilts, quilt-as-you-go and time saving techniques. If you have any other suggestions, please contact me as soon as possible. If you would like to teach any of these or anything else that appeals to you, please contact me as well.

Teachers will be remunerated for their time and effort. It only takes five students in order for a class to run. As we go to print, Patricia Loquet has kindly agreed to teach Arabic Lattice once again and we are ecstatic!

Despite some of the worst weather ever (or maybe because of it), last year's Super Saturday was an amazingly strong bonding experience for all who attended. We look forward to the pleasure of one another's company this coming year without the bad weather :) Warmest wishes,

Carol Mayefsky, Super Saturday, cmayefsky@gmail.com
Kelly Lockwood, VP Special Events, lockypt@aol.com

Don't forget that each person who brings in a food item for the hospitality table receives a free raffle ticket! If you are interested in having a quilt displayed on the hospitality table this year, please call Carolyn Thye to sign up. Spaces are available for all months so far! As you are probably aware, the quilts are well cared for on the table, covered with clear plastic to protect against spills and crumbs. This is an opportunity to display your creativity for the whole guild to appreciate and enjoy!

Volunteers to assist in set-up, greeting members, and clean-up are always needed and welcome. Please contact me to sign up!
